150 Series Conduit

150 Series Spiral Reinforced PVC

PRODUCT FEATURES

▶ All-insulated construction provides complete cable protection while the smooth bore facilitates fast and easy insertion

▶ Highly flexible, this series can be coiled on its own diameter without damage to the conduit or reduction in its cross section

▶ Corrosion free and free of jagged edges after cutting

▶ Weatherproof and self extinguishing to CEI 23-14 standard

▶ Temperature range 5°C to 70°C

▶ 30 metre reels

Code	Inner Diameter	Outer Diameter	Straight Connector	Gland Thread
